PC Scott wins by 8000 votes but Liberals form maj. gov't.

PC BILL SCOTT

20,634 VOTES

Conservative incumbent M.P. Bill Scott was elected for a sixth term in the riding of Victoria-Haliburton Monday, winning by 8,056 votes over his closest rival, Liberal candidate Ivan Rodd. Scott totalled 20,634 votes to Rodd's 12,578. NDP candidate Patrick Daniel drew 9,054 electoral votes while Libertarian candidate John Hayes drew 375 votes.

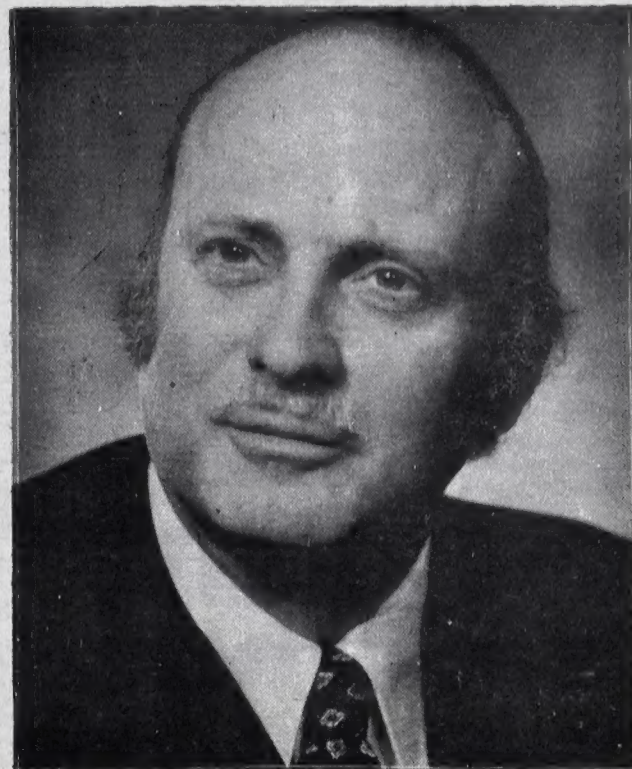

Although Scott won for the PC's in Victoria-Haliburton and most of the surrounding ridings, the Liberal Party swept to a majority government in the election, ending a 10-month rule of Prime Minister Joe Clark's Progressive Conservatives. The Liberals

LIBERAL IVAN RODD

12,578 VOTES

picked up 146 seats of the 281 seats being contested in Canada. The Tories elected 103 members to parliament and NDP's elected 32 members. The largest gains for the Liberals are in Quebec where they managed to elect 73 out of 74, one went to the Conservatives and the Social Credit party was wiped right out. The Liberals also reversed there May 22nd election results, picking up 53 of the 95 Ontario seats. This was 21 more than in May. The Liberals also picked up nine additional seats in Atlantic Canada that started the Tories on their defeat.

Internal policy dispute causes 2 Hal. Legion resignations

Canadian Legion secretary-manager Doug Armstrong and Norm Healey, Branch 129 executive member and padre both resigned their offices with the Branch last week. Legion President Allin Cooper has announced.

The resignations were presented and accepted at a special meeting of the Branch 129 executive last Thursday presided over by zone F4 Commander Doug Worrall and District F Commander Merrill Dunn. The two commanders had been called in by President Cooper to settle an internal policy dispute, including

Spot check by Minden OPP turns up narcotics

Minden — A safty spot check was being conducted by Minden OPP on Highway 35 north of Gull River Buildall last Friday afternoon and it resulted in the apprehension of a Pickering man with narcotics in his truck.

Russell Keith Hodgson 26, has been charged with Possession of narcotic (a large amount of cannabis resin oil) for the purpose of trafficking. Hodgson will appear in Lindsay Provincial Court, Criminal Divison, Tuesday Feb. 18th. Investigation is being conducted by Minden OPP Constable Al Bibby.

an attempt to unseat President Cooper.

A general meeting followed the closed executive meeting and confirmed the two resignations, then heard a moving plea for unity, comradeship and dedication of purpose from past President Mel Roberson.

Snowshuffle event declared a huge success in W. Guilford

The Grenville Stamp Trust Fund received a healthy boost last weekend of \$3500, when the West Guilford Recreation Centre held their second annual Snowshuffle.

The day's events started at 1 pm with a snowmobile ride to Kennisis Lake (about 35 miles) and then back to a hot supper with all the trimmings which were donated and prepared by local ladies and businesses with about 225 sitting down to eat.

A dance in the centre followed with Grenville Stamp in attendance as well as a capacity crowd. During the evening the draw for a stereo tape deck was held and Mrs. Joyce Griffin of Haliburton was the lucky winner. However, Mrs. Griffin turned the prize back to the committee and another draw was held from those in attendance. On the second draw Mr. Gordon Monk of Minden was the winner, and he too re-donated the lovely gift.

Mr. Carman Peters and several local fellows donated their time and talent to provide the music for the occasion and the door prize of the evening went to Bob Howe of RR 2, Minden.

Welch's becomes a Foodtown Store now, at Maple Lake

Tomorrow morning will officially see Welch's store at Maple Lake become Welch's Foodtown, in association with the Oshawa Group. Manager Leroy Eager told the Express "joining the group will allow us to buy food and sundry items at a better price, thus saving our customers money."

Mr. Eager added that the Oshawa Group supply many larger chain outlets in centers across Ontario, some of them being Food City, IGA and Foodtown stores. He said "Welch's Foodtown will now offer groceries, meats and produce at comparable prices to food store chains".

All residents are invited to the grand opening on Thursday and an official "open house" will take place Saturday February 23rd. Since last May when the ownership of the store changed, many inside and outside renovations have taken place. With spring now approaching, plans are being finalized to add a complete garden centre offering customers a large selection of plants, shrubs and miscellaneous gardening needs.

In addition to Mr. Eager as manager, staff includes; Bradley Redner heading the meat department Yvonne Penny, and in the spring Ruth Berry, Betty Davis and Dale Toye.

AHM set guidelines for new Minden Curling rink

The third meeting of the year 1980 of the council of nAson, Hindon and Minden took place on Wednesday, Feb. 13th at the council chambers in town.

A resolution from the Town of Madoc on the affect of high interest rates on small businesses received support from Minden council. Council supported this resolution with one of their own, requesting the Treasurer of Ontario and the Ministry of Finance of Canada to introduce programs to offer lower interest rates to the small businesses. Councillor Stuart Brandon declared an interest in this item and refrained from voting.

Council called for tenders on the following products, non-ashphlatic road oil; bagged calcium; 12" culverts and 15" culverts with sufficient couplers and guide cables. The tenders were called in conjunction with those of the County for 1980.

Jim Garbutt and G. Saunders of the Minden Curling Club attended council with respect to some information required for inclusion in their feasibility study.

Council passed the following resolution; whereas the Minden Curling Club is desirous of constructing a new curling rink and has engaged a firm to prepare a feasibility study foresame; Now therefore the Municipal Council of the Townships of Anson, Hindon and Minden hereby agrees as follows: 1) A site adjacent to the arena will be made available

for a new facility at no cost to the curling club; 2) Not to contribute any tax dollars toward the project but council is willing to negotiate the financial report for possible assistance at the end of the project. That actual repairs to the existing building be determined subject to need; 3) To contribute towards the operating and maintenance costs in a manner to be determined; 4) That this project qualifies for first consideration after the library and 5) That this proposal does not have negative affect on other community projects, future or ongoing.

Mr. F. Reiholz and Mr. T. Healey of the Ministry of the Environment attended council to discuss the operation and maintenance of the Scotch Line landfill site as well as the availability of grants for landfill sites and sewer extensions.

A resolution was passed by council concerning

Car slides through intersection collides with MTC snowplow

MINDEN — OPP report over \$6300 in damages in four area collisions last week. In three of these collisions, three persons suffered minor injuries.

On County Road 1 early last Sunday afternoon, an Uxbridge man had his automobile slide into an MTC snowplow causing the driver to suffer injuries and the car was damaged for \$2000.

Ronald J. Arbuthnot 45, of Minden was plowing highway 35 at the junction of 35 and County Road 1 when the 1974 car of Brian J. St. John 34, of Uxbridge slid into the intersection, colliding with the plow. No damage was reported to it. PC Potter.

Just a half hour later police report that a 1978 four wheel drive vehicle driven by Jack Taylor 25 of Brampton, went out of control on County Road 1 and struck six guideposts and then a rock cut in the north ditch. Damage has been set at \$2000 to the vehicle, and Taylor has been charged with careless driving. PC Potter.

A two car collision on Highway 35 on Saturday afternoon near Ox Narrows resulted in one driver suffering minor injuries and more than \$1800 in damages set.

Elaine Sturm 26, of Toronto suffered injuries when the 1979 car she was driving northbound, went out of control, spun backwards into a car driven by Faye Callow 30, of Huntsville.

Police report \$1,000 damage to the Callow vehicle and \$800 to the Sturm car. Investigated by P/C Popp.

Francis McLintock 39, of Clarkson was southbound on Highway 35, north of the Wren Lake bridge last Tuesday afternoon, when the 1972 car she was driving went out of control and struck two guideposts on the west shoulder. Police report that McLintock suffered minor injuries in the mishap and that the car was damaged for \$500. P/C Jarvis.

Arson suspected in Hawk Lake cottage fire, suspects flee

Hawk Lake — At approximately 12 noon on Wednesday, February 13th, the cottage of Eunice Gladys Foster, of RR1 Kirkfield, burnt to the ground. The cottage was located on the narrows between Little and Big Hawk lakes.

The fire was attended by the Stanhope Fire department, but the cottage burnt to the ground and damage has been estimated at \$13,000.

Two unknown persons were seen in the immediate area and left the area quickly. The two loaded their snowmobiles into a van at Little Hawk Landing and left the scene in great haste.

Investigation continues by Minden OPP Constable Barry Connelly.

the Lapine Painting bequeathed in the will of the late Frank Welch, to the Township, that it is the opinion of council that the costs of a fine arts insurance policy on the painting be absorbed by the township.

Council directed the clerk to make application for one student for up to 20 weeks of employment in 1980 pursuant to the terms of the Involvement in Municipal Administration Program.

Council also approved the operation of a beauty salon by Mrs. Mary Bell from Lot 15, Concession 13, Township of Minden subject to the approval of the Ministry of Transportation and Communications and the Health Unit. And further that existing and future uses or occupancy shall conform to by-law 14-67 as amended and be approved by council.

Hockey player charged with assaulting referee at Centre

Minden — During a men's recreational hockey league game on Monday, February 11, an assault causing bodily harm. Charges were laid against a Kinmount man by referee William J. Davis.

Richard Allen Hartwick 26, was charged with assault following a penalty that was not called by referee Davis. A verbal argument ensued which resulted in Hartwick getting a game misconduct penalty. Further discussion took place and Davis was given a punch in the mouth. Hartwick will appear in Minden Provincial Court March 11th P/C Patter

Let's Go Snowmobiling

What to Wear Snowmobiling

If you're already a snowmobiler, you know just how warm, comfortable and fashionable you can be riding trails.

If, on the other hand, you're one of those who have hesitated giving the sport a try because it seems like it would be mighty cold out there, hesitate no more.

The secret lies in the special suits, which are available in either one or two-piece outfits, are better insulated and much warmer than those designed for alpine skiing.

The suits have become downright stylish too. Whether you consider yourself a conservative or flamboyant dresser (or perhaps somewhere in between) there's a snowmobile suit to fit your own personality.

Snowmobile boots are an equally good investment not just for snowmobiling but for any type of outdoor winter activity. Felt liners in the boots provide most of the warmth. Some felt liners have side or front zippers for ease of use. The outsole is generally made of rubber-like material and nylon. The thick elevated boot provides for sure footing and the adjustable nylon flap at the top prevents snow from entering the boot.

And don't forget about a helmet. Besides keeping you warm, a helmet will protect you in the event you should take a spill or encounter dropping snow laden branches out on the trail.

Properly attired with suits, boots and helmets, snowmobilers have the best of both worlds: the warmth of an indoor fireplace and the fun of the outdoors in winter.

For more information, contact: Snowmobile Information Centre, P.O. Box 951, Station Q, Toronto, Ontario M4E 1B9. Or phone (416) 923-4459.

Reflections for Brotherhood Week, Feb. 17-24, 1980

Last summer Canadians responded to the "boat-people" situation with a spasm of compassion that surprised our government into action and embarrassed bigots into unaccustomed silence for at least a few weeks. It was more than an example of "brotherhood".

There were people on my street who couldn't sleep no matter how many pills they took. It was as though the limits of their sensitivity had been extended beyond their hands and feet. They were receiving urgent signals from a part of their body that was hurting, and that would not let them close their eyes. They had learned that, as Augustine said centuries ago, "all mankind is as the life of one man". They could no more sleep while people drowned than could their heads be unaffected if their hands were hurt.

In recent years, with amazing unanimity, voices from the varied field of physics, biology, economics, and social sciences, have been reminding us that we are all part of a single organism of life. Einstein described the universe as a mutually dependent dance of galaxies, oceans, birds, people, atoms space and time. We are as fundamentally interconnected as the leaves of a single tree. Lewis Thomas, of the Sloan-Kettering Institute, says bluntly "We do not have solitary beings every creature is, in some sense, connected to, and dependent upon, the rest." Arteries of transportation, communication, and economic interdependence carry signals of belonging to the whole body. Someone sneezes in the middle East, and noses are blown all over North America. If one part suffers, we all hurt. We all belong to the same body.

That these ideas strike us as strange is because the Western cultural tradition of three centuries has taught us to be overly aware of our separate individuality. If we think of "humanity" at all, it is as a figure of speech for a collection of individuals to an imaginary body made up of distinct bodies which are real. Nor would anyone argue that brotherhood is not a good way for separate individuals to relate to each other.

But in time when we are realizing the unequal position that women experience in a society and a market place that is dominated by men, the word "brotherhood" may not be sufficiently neutral to convey its intended generic sense.

When we meet a person who appears to be different because of sex or religion or race or physical or economic condition, the appropriate response is

Lack of snow, rain may mean high fire risk for spring

The Ministry of Natural Resources Fire Control Centre in Tweed, Ontario feels that the acute lack of snow this winter could be a sign of a very high fire risk in the summer, if conditions are not right by spring.

This same lack of snow occurred in 1974 when Northern Ontario had so many fires. That year, they too had very little snow and no rain in the spring and if we get similar conditions this spring we could definitely have a problem.

It all depends on the weather at this point the Ministry said and that the normal cycle sees the water table rise significantly by spring, but if sufficient rain doesn't fall, this cycle will be interrupted and water levels will be down.

OPP officer assaulted Acton man is charged

Minden — OPP Constable Boyd Jarvis was checking a car with five occupants on Highway 121 in the Village of Haliburton last Saturday evening at 11 p.m. and charged one of the occupants with a liquor violation. An altercation broke out and when the second officer (Constable Mike Maher) arrived P/C Jarvis was lying on the ground behind the vehicle.

Robert George Forbes 19, of Acton was brought to the Minden Detachment and was charged with assaulting a police officer. P/C Jarvis received minor injuries to the face neck area in the dispute.

It's a far cry from the Namking Cafe

Generations from now, few Kinsmen will have the opportunity to forget their humble beginnings or the man who founded their club.

On Feb. 23 the Kinsmen club planned to open the Hal Rogers National Headquarters Building in Cambridge.

The \$750,000 three-storey contemporary building, set into the side of a hill on a prime piece of the city's parkland, will be dedicated to Rogers - three days and 60 years after he founded the club in Hamilton.

It's a far cry from a small gathering in a Hamilton cafe in 1920 when Rogers and 11 other young men met to set the wheels in motion.

Nor would Rogers know at the time that the small band of men would grow to 18,000 strong in more than 600 clubs across Canada.

When Kinsmen administrators first started talking about a new headquarters they didn't anticipate the swell of support from members across Canada.

"At first we thought of buying a building in Toronto and leasing office space to companies to help with the costs," Executive-Director Peter Hanly says.

"In 10 years we had moved five or six times and we felt it was time to get a building that would meet our future expansion needs. We would rent the space we didn't need until we were ready to expand."

When it was raised with Kinsmen at a national convention the response was overwhelming. Soon after,

money started flowing in from various clubs, Hanly said.

"At that point we realized we had the capability to build our own building," he said.

As word spread, Kinsmen clubs started talking with their municipalities about sites. Seven were suggested including Chilliwack, Winnipeg, Saskatoon, Markham, Mississauga, Guelph and Cambridge.

"Cambridge was the best site for a number of reasons," says Hanly. "First the site available to us was in a park on a hill with a commanding view of Highway 401. The land was available for one dollar a year for 99 years and finally the City of Cambridge was fully co-operative."

Hanly says the new headquarters is "a dream come true for thousands of Kinsmen."

He says, "It's a testament to the strength and quality of the organization and the people, both men and women, who are members in the family of Kin, numbering nearly 40,000 from coast to coast."

The 14,000 square foot building houses the administrative offices, work and supply areas, seminar and board rooms.

Reception rooms, a lunch room and a kitchen are also part of the facility.

The most dramatic characteristic of the building, according to Hanly, is the Founder's Wall, which runs

the height of the three storey structure. Here, silver coated bricks identify supporting clubs. A bust of Hal Rogers is set in the area and the club's archives are found here.

The cost of the building, at \$750,000 is substantially more than the \$500,000 the club first expected to raise.

Clubs are not required to donate anything at all to the new building but already \$600,000 has been raised.

"Contributions are totally voluntary and when you consider that Kinsmen clubs contributed approximately \$43 million to community service work last year - we are doing well," Hanly says.

The executive-director says the organization will not have to mortgage any part of the building because he is confident the money will be raised.

The organization did consider cutting costs at one time.

"We removed the elevator (for use by the handicapped) from the plans but members protested loudly and pledged more contributions to keep it," Hanly said.

Opening ceremonies are planned at the site on Feb. 23. Prime Minister Joe Clark is expected to be present for the festivities.

In addition Kinsmen representation from every province in Canada will be attending.

Cystic fibrosis emerges as major Kin concern

To say the Canadian Cystic Fibrosis Foundation relies on the Kinsmen association would be a serious understatement.

The foundation receives somewhere in the neighbourhood of one-third its budget from Kinsmen and Kinettes.

Last year, the August edition of Kin magazine indicated \$767,000 had been raised by Kinsmen and Kinettes for CF research during the year.

Since 1964, it has been estimated the Kinsmen-Kinette contribution in direct donations has been worth \$2.5 million.

Kinsmen involvement with cystic fibrosis research

began in 1963 when Bill Skelly of the Kinsmen Club of North York, Ont. asked Dr. Douglas Crozier to speak to his club.

Dr. Crozier works in the cystic fibrosis clinic at the Hospital for Sick Children in Toronto.

When he explained the genetic disease to the North York club, word was spread through neighbouring clubs and proceeds of a 1964 tag day were donated to CF research.

The Canadian Cystic Fibrosis Foundation was asked to make a formal presentation to Kinsmen and in June 1964, cystic fibrosis was adopted as a major Kinsmen project.

In addition to raising funds, Kinsmen and Kinettes actively promote public awareness of the disease and the value of research through information booths at fairs, trade shows and schools throughout Canada.

Club members also support a month-long summer camp in Ontario for older cystic fibrosis patients.

Six of the eight Kinsmen districts support cystic fibrosis work in addition to several, other heavy financial commitments in several districts.

Peter Hanly, executive director of the Association of Kinsmen Clubs, says CF continues to draw an increasing commitment from Kinsmen districts.

Break and enters down, OPP say

The number of break and enters in Haliburton County decreased by 5 per cent in 1979, with a total of 281 break and enters reported, according to public service officer Wim Magee. In 1979 reportable motor vehicle collisions in Haliburton County decreased by 11 per cent. There were 372 reportable motor vehicle collisions investigated in 1979. In 1978 there were 4 fatal collisions in which 4 persons died and in 1979 there were 4 fatal collisions in

which 6 persons died.

Last year 116 persons were charged in Haliburton County with failing to wear their seat belts. The snowmobile patrol charged 12 persons with Motorized Snow Vehicle Act violations and checked and tagged 2,415 cottages. The Marine patrol charged 88 persons and checked and tagged 449 cottages.

Fraud offences decreased 36 per cent with 55 fraud offences investigated in 1979, Magee said.

Criminal Code offences in Provincial Police jurisdiction increased by 5.6 per cent to a total of 91,109 in 1979, according to OPP Commissioner Harold Graham. In 1976 the figure reached an all-time high of 91,702.

The most significant increase is in the area of fraud offences, Graham said. This category accounted for 3,804 occurrences, up 18.4 per cent from last year's count of 3,212.

The statistics for homicide, rape and vandalism have not changed substantially in the last year.

A five per cent increase in the number of traffic accidents reported brings the 1979 total to 78,585. The

number of people killed in OPP reported traffic accidents was 989, an increase of 7.2 per cent.

There were 32 multiple fatal accidents in which three or more persons died. A total of 118 died in the 32 acci-

dents. Twelve of these accidents happened when drivers crossed the centre line and drove on the wrong side of the road. Of the 12, 11 were attributed to drinking drivers.

Reeve's Proclamation

WHEREAS the effects of heart disease are responsible for widespread suffering and create serious economic hardship in our community;

AND WHEREAS the Ontario Heart Foundation is taking positive action to reduce heart casualties through a planned, priority research program;

AND WHEREAS the Canadian Heart Fund Campaign to support heart research is being conducted from February 1st through February 29th, 1980;

I, THEREFORE, proclaim that the month of February be observed as Heart Month in The Township of Stanhope in the County of Haliburton. I further urge all residents to co-operate in the Heart Fund drive, and all civic, social and fraternal organizations and business establishments to give this campaign the greatest possible support.

James Harrison,
Township of Stanhope

Best Teamster at Canada Farm Show

Mr. Jack Harrison (above) of Maple Lake got the surprise of his life recently while participating in the Canada Farm Show at the CNE in Toronto. Mr. Harrison, who had entered the heavy horse draws with two Belgium horses belonging to Leroy Nesbitt of Minden, competed against 36 other entries in both the light and heavy horse draws and came away with this trophy for best teamster in the heavy class. The Farm Show event was Jack's first professional draw and in addition to the trophy, a cash award was received for the team.

Fenelon wins Harrison Memorial Minden takes Consolation

MINDEN — The Tim Harrison Memorial Midget hockey tournament was staged at the Community Centre on Saturday and Fenelon Falls emerged this year's winner, defeating Beaverton 3-2 in overtime.

This is the fifth year of the tournament, held in memory of Tim Harrison, son of Mr. and Mrs. Norm Harrison Jr. of Minden, who died officiating a hockey game six years ago.

Minden's Walker Lumber Midgets opened the tourney at 9 am on Saturday against Fenelon and went down to defeat 4-3. Minden held 2-1 and 3-2 leads in the game but couldn't hold their leads. The loss dropped them into the Consolation side of the tourney which they went on to win. In the Fenelon game, Ron Yake scored two goals and Shawn Chapman one.

In their second game, Minden met a team from Angus, Ontario and shut them out 13-0. The locals scored six goals in each of the first and third periods to easily advance to the Consolation Final against Haliburton.

Harold Porter led the Minden attack against Angus, scoring four times. Ron Yake netted three, B.

**VERY LITTLE DOWN
WHEN YOU
LEASE A NEW CAR
FROM US**

That's because your deposit on a new leased car can be substantially less than what you'd put down to buy a new car. What's more, you'll never fret over what your lease car is worth at trade-in time because your car will never get too old.

Each monthly leasing payment also covers such costs of enjoying a new car as financing, depreciation, taxes.

There are other solid reasons for leasing a new Chevrolet from us. So, come on in. Let's discuss the lease plan ... and that new Chevrolet ... that fit your needs.

And your pocketbook.

HALIBURTON — ONTARIO
457-2100

FENELON FALLS WINS MEMORIAL TOURNAMENT

Moxam two and singles went to Terry Allore, Ivan Ingram, Chapman and Kevin Shapiera.

After their lopsided win over Angus, Minden was ready for Haliburton, who had lost 2-0 to Beaverton in their first game and then received a bye into the final. After just 7 seconds of the opening period, Minden's Brent Moxam broke down the ice with Ivan Ingram and Dave Lennie to score and give Minden a 1-0 lead. Just over three minutes later they upped the count to 2-0 when Ingram took a pass from Yake and made no mistake, beating Haliburton goalie Dave Elstone on the short side.

At 4:20 of the second period, Harold Porter scored a breakaway goal. Then after a minute of the third Porter again scored, this time on the powerplay, on passes from Ingram and Yake. At the four minute mark Minden really demoralized the Haliburton team as Chapman intercepted an intended Haliburton pass at the Minden blue line and skated in alone to beat an unprotected Elstone.

Minden put a little icing on the cake in the last minute of play when Moxam scored his second of the game from Yake and Ingram.

Fenelon won the championship game of the tournament, edging Minden 4-3, then beat Creemore 5-3 and finally Beaverton 3-2 in overtime.

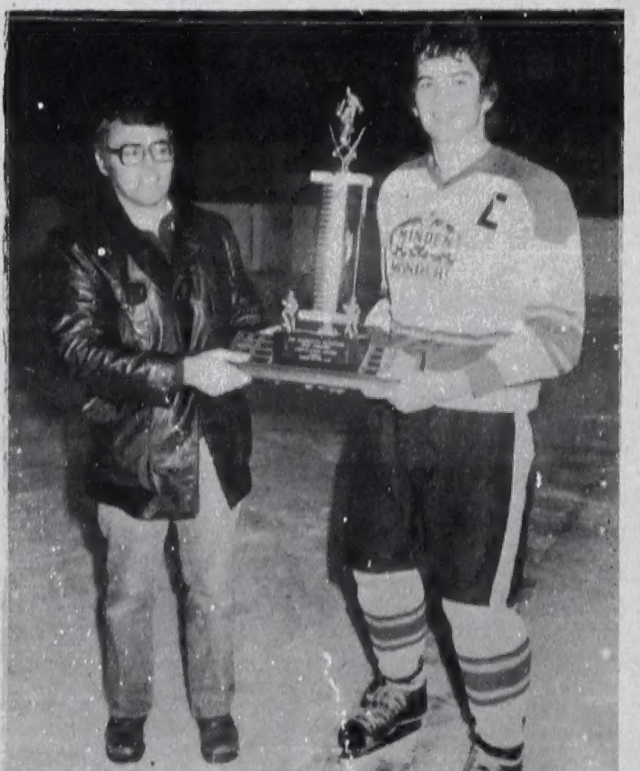

Terry Crowe of Minden won the outstanding goal tender award in the games on the strength of his shutouts.

Ont. Government provides summer jobs for youths

Toronto — The Ontario Government will once again provide jobs for this summer through its Experience Program. This is the eighth year of the Program, which gives young people the opportunity to gain work experience to complement their academic and career interests. Since 1973, approximately 70,000 opportunities have been provided to young people under the program.

Experience '80, sponsored by the Ontario Youth Secretariat, and administered by the provincial ministries and their associated agencies, will offer 10,450 jobs in the public service in ministries, school boards, travel associations, libraries, conservation authorities and other agencies.

JOHN GREEN
... National President

A message from Kinsmen president

As Kinsmen celebrate their 60th Anniversary as an all Canadian service club, we look upon our past with pride and having played an integral role in serving our country. Kinsmen have grown from one club, in 1920 in Hamilton, to 625 clubs coast to coast, today.

Also developed are over 900 auxiliary clubs - Kinette Clubs for the wives of Kinsmen members, K-40 clubs which are made up of Kinsmen or past Kinsmen who have attained the age of forty, and K-Ettes which is a club for the wives of K-40 members. All of these auxiliaries have played a supportive role in the clubs' various projects over the years — Forty Thousand Canadian men and women working for Canada.

Kinsmen service has extended to the point where we have provided over \$125 million worth of service in the past three years - an estimated One Billion Dollars since 1920.

One of the highlights of our 60th year is to open a new national headquarters in Cambridge, named after our Founder, Hal Rogers O.C., O.B.E., who will be in attendance at the opening, along with two other founding members, Trev Thompson from Nanaimo and Perc Dawson from Hamilton.

Kinsmen in all communities will also be promoting some type of celebration in their area during the month of February and will invite all citizens to take part wherever possible.

As National President of The Association of Kinsmen Clubs, I want to take this opportunity to thank the citizens of Canada for the continuous support over the last 60 years, which has allowed us to live up to our slogan, "To Serve the Community's Greatest Needs".

John Green
National President

"The program fulfills two needs", said the Honourable Margret Brich, Provincial Secretary for Social Development and Minister responsible for experience program. "Not only does it provide ministries with needed support staff, but of greater importance Experience helps young people acquire valuable skills, knowledge and experience so essential in securing future employment."

Experience '80, together with the Ontario Youth Employment program (OYEP), which is administered by the Ministry of Intergovernmental Affairs, will this year provide more than 60,000 jobs for young people, an increase of 3,000 from last year. OYEP, through a wage subsidy, assists businesses in providing summer jobs.

Mrs. Brich said that while the number of positions available through Experience '80, will be about 3,000 fewer than last year, the number of opportunities for youth available in private businesses through OYEP will be increased by twice as much, to 50,000 from 44,000 last year.

Ontario Experience '80 jobs cover a broad range of employment fields such as agriculture, recreation, culture, law, tourism, social services, and energy conservation. This summer young people will staff legal aid clinics, work on farms, act as regional travel counsellors, conduct research related to energy conservation, restore artifacts and assist vocational rehabilitation counsellors.

These are just a few of the many challenging duties Experience '80 participants will be carrying out this summer. All the positions pay the provincial minimum wage. Besides financial reimbursement, young people have the additional reward of making worthwhile contributions to their community.

Mr. Terry D. Jones, Parliamentary Assistant responsible for the Youth Secretariat said, "Today more than ever, employers place a strong emphasis on previous job experience. Through our Experience program, young people can obtain that essential experience."

The Ontario Youth Secretariat has published a guidebook to the Experience '80 Program, outlining

further details on the individual positions. These guidebooks and application forms are available at all high schools, college and university placement centers and Canada Employment Centers across Ontario.

Gary Brohman leads Hal. Chalkdusters to Consolation

Haliburton — Three days of hockey in the annual Haliburton Chalkdusters Teacher tournament were played during the Haliburton Winter Carnival, featuring 16 teams from across the Province of Ontario. This included two teams from Haliburton, Perth, Muskoka, Lindsay, York County, Halton, Oakville, Owen Sound, Belleville, Aurora, Lakefield, Norwood, Peterborough, Uxbridge and Bendale.

Nat. High Low Doubles zone finals Sunday at Carnarvon

CARNARVON — One of the most popular bowling tournaments on the Ontario 5 pin bowling calendar is slated for this weekend when the bowlers from the four 1000 Lakes Bowlers Association houses — Carnarvon, Bancroft, Havelock and Fenelon Falls will compete in the Zone finals on Sunday.

Two winners from every league in these four houses will bowl three games to see who will represent this zone in the Regional Rolloffs. There will be two shifts: 11 am and 2 pm with 72 bowlers taking part.

The following bowlers will represent Carnarvon at the finals: 11 am—Lil Martin and Ida MacLachlan; Eva Piper and Walt Ackerblade; Clare Lytle

Both Haliburton entries had a chance of taking all the hardware in the tournament, however only the Haliburton 2 squad was able to go all the way.

After dropping their first contest to Owen Sound by the score of 3-1, they went on to win their quarter final match 3-0 over York County, then 2-1 in the semi-final over Oakville and finally, on the strength of Gary Brohman's two goals downed Lindsay in the Consolation final 2-0.

The Haliburton Chalkdusters 1 team got off to a great start in this tournament doubling the score on Lakefield 4-2, then edging Muskoka 3-2 before being shutout by Belleville in the semi-finals 3-0.

and Ruth Brown; Isobel Saunders and Ruby Francis; Kay Barry and Alberta Maitland. At 2 pm—Wally Crofts and Julie Hartin; Susan Salmon and Terry Hare; Fred Cox and Bill Beers; Gord Everall and Jim Wilson; Debbie Allin and Mary Lou Bird.

Steele, Lattner lead Hartwick with 3 goals, Hall loses 7-4

Minden — Playoff action got underway in the Men's Town hockey league on Monday evening at the centre and Hartwick and Sons Constuction upset the Rockcliffe Hotel 7-5. Missing their top scorer Rick Hartwick, who was suspended from the league last week following a dispute with a referee, the Constuction team wasn't given much chance at knocking off the Hotel boys in the best 2 out of three series. However when a team has its back to the wall they sometimes dig a little deeper and that's what they did Monday. Harris Steele and Pete Lattner both played excellent games, scoring three goals each. Lattner also picked up three assists in the contest. Dave Pettes had one goal.

In the first game on Monday night undefeated Home hardware remained that way downing Floyd Hall Insurance 7-4.

The Insurance men came out flying in the first period and built a 3-1 lead, but the Hardware team never panicked, playing the consistent type of winning hockey they have all season and it payed off with six consecutive goals.

Once again it was Dave Hartwick and John Barkwell who supplied most of the offence, netting 2 goals apiece. Singles were scored by Wayne Johnson, Dave Dollo and Mark Derry.

Dollo's juveniles even series edge Port Carling 4-3

Port Carling — On Sunday evening the Minden Dollo IGA Juveniles travelled to Port Carling for their third game of the best three out of five playoff series. Down three points to one, the locals needed a win badly to get back into the series and according to all sources at the game, the Dollo boys played an excellent game in their 4-3 triumph. With the series tied at three points each, action now shifts back to the Community Centre on Friday evening at 8 p.m. and then back to Port Carling on Sunday at 7:30 p.m.

Kim Hamilton was the hero of the game for Minden, netting two goals, including the winner.

Minden trailed 1-0 early in the first period but Hamilton brought the team up before the period ended. Tim Davies and Corey Walker made it 3-1 and just before the second period ended Hamilton got his second of the night to make it 4-1. The third period was one of these kind that seem to last hours. Port Carling came back with two goals to make it close enough to pull the goaltender in the last minute but Minden managed to hang on for the win. The officiating in the game was excellent, according to coach Joe Cox, "The best we've seen all winter."

Walker Lumber midgets come back, beat Cayceon 6-2

Minden — Walker's Midgets have their backs to the wall in their league championship playoff series against Bobcaygeon, losing their first two games of the best three of five series. However, they did bounce back on Thursday evening at the Center with a 6-2 victory. Playing the kind of game that gave them a superb season's record of 14-1-1, they must continue to play tough, positional hockey if they hope to go further in the playoffs of 1980.

3atwith Cs

On Tuesday evening the midgets continued to play like they did in their playoff opener in Bobcaygeon where they lost 4-0. In this game at the center, the Walker Lumber boys blew leads of 3-1 and 4-2 to end up losing with an 8-5 score for Bobcaygeon.

Ivan Ingram with two and Terry Allore with a single gave Minden a 3-1 lead at the end of the first period. Harold Porter made it 4-2 early in the second, then Kevin Shapiera upped the count to 5-3. But before the stanza ended Bobcaygeon tied the game at 5-5 and then went on to score three unanswered goals in the third period.

Down two games to none, most people had written the season off for the Midgets, but after the performance they put on Thursday evening, there seems to be a glimmer of hope. They outplayed the Bobcaygeon squad completely, led by excellent hockey mastery of Harold Porter who scored once and set up four others. Dave Lennie and Greg Austin played superb defence and Terry Crow was flawless between the posts.

Once again the Bobcaygeon boys scored the first goal but on this occasion it didn't seem to bother the Minden team. At the end of one period it was 1-0. Then at the 9 minute mark of the second Minden tied the game 1-1 by Ron Yake, who caught a beautiful center pass from Porter. Three minutes later an identical pass from Porter gave Ivan Ingram a picture goal and the game was in total command by Minden. Yake made it 3-1 early in the third. Bobcaygeon made it a one goal lead a few minutes later, but then Kevin Shapiera, Porter and Brent Moxam scored to make it a win.

Novices only winners in minor hockey playoff action

Minden — This past week has not been a banner one for the local hockey teams in their quest for playoff championships. With a great many youngsters sidelined with the flu bug, most of the teams from Novice to Bantam were undermanned badly and as a result, only one victory was recorded, while six losses were incurred and one tie.

The Novices came up with a solid effort against their foes from up Haliburton way, winning 2-1 on a powerplay goal by Sheldon Stevenson in the third period. Minden opened the scoring in the first period when Jeff Francis fed a perfect pass to Scott Russell for a 1-0 lead. Haliburton's Steve Prime knotted the score at 1-1 in the second.

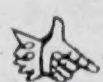

In OMHA Atom play, our local lads tied Orono 3-3 and lost to Omeme 3-1. In the Omeme contest last Monday John Wells scored with Tom McLeod and Dwain Cooper assisting. Then at the Center on Valentine's day, Minden's Tom McLeod scored twice and Gord Woods once to gain a point from Orono.

In Tri County playoff action, Minden's Atom entry took it on the chin twice from Fenlon Falls, the first 4-1 with Kent Taylor scoring off a pass from Scott Russell and then were blanked 8-0.

The OMHA Peewees came out on the shortend of 3-2 and 6-2 scores at the hands of Bobcaygeon to lose their best three of five series 3-0. In the 3-2 contest Mike Gorvett scored both goals while in the 6-2 game Gorvett and Jeff Howe scored.

The Minden Bantams were also eliminated from further championship play when they went down 5-0 to Bobcaygeon. The Bantams will now drop down into the Round Robin consolation playoffs.

WILL THAT BE CASH . . . OR VISA?

TORONTO — "Visa" is to become the predominant name of the Chargex Plan in Canada.

"Visa" was adopted in 1977 as the common name for the world's largest charge card network, of which the Chargex Plan is the Canadian member. More than seven million Canadians have Visa cards which are accepted by more than 180,000 merchants in Canada and over three million establishments around the world.

"The name change should result in easier recognition and acceptance for Canadians travelling abroad as well as for visitors to Canada," said J. D. Hamilton, spokesman for the Plan.

Mr. Hamilton also believes that the Visa name will encourage cardholders to regard the Plan as a simple way of paying for goods and services, rather than as a source of credit.

The Visa card system will continue to be operated by The Bank of Nova Scotia, Canadian Imperial Bank of Commerce, the National Bank of Canada, The Royal Bank of Canada and Toronto Dominion Bank.
